Programs for Adults and Families

Hawaii's Medicaid Program

Hawaii's Medicaid Program is for uninsured people who live in Hawaii and are age 65 and older, or under age 65 who are blind or disabled. People may also qualify for the program if they are under age 65, not **eligible** to receive health insurance from an employer, not a resident of a public institution, not blind or disabled, and meet certain **low-income requirements**.

For more information, call 800-316-8005 or visit www.med-quest.us.

Programs for Children Only

Keiki Care Plan

The Keiki Care Plan is for children through age 18 who live in Hawaii, who have been uninsured for six months and do not qualify for any other state or federal coverage.
