

# MONTANA

## **Programs for Adults and Families**

### *Montana Medicaid*

Montana Medicaid is for children age 18 or younger, pregnant women, parents of **dependent** children and the disabled who live in Montana and meet certain **low-income requirements**.

For more information, call 800-362-8312 or visit [www.dphhs.mt.gov/programsservices/medicaid.shtml](http://www.dphhs.mt.gov/programsservices/medicaid.shtml).

## **Programs for Children Only**

### *Montana Children's Health Insurance Plan (CHIP)*

CHIP is for children up to age 19 living in Montana who are currently uninsured, ineligible for Medicaid and whose parents meet certain **low-income requirements**.

For more information, call 877-543-7669 (from within Montana) or visit <http://chip.mt.gov>.
