INDIANA

Programs for Adults and Families

Hoosier Healthwise

Hoosier Healthwise is for children under age 18, young adults ages 18, 19 and 20 who live with a caretaker relative, pregnant women and parents of **dependent children** who live in Indiana and meet certain **low-income requirements**.

For more information, call 866-267-4679 or visit www.in.gov/fssa/ompp/2669.htm.

Healthy Indiana Plan (HIP)

HIP is for uninsured adults between ages 19 and 64 who live in Indiana, meet certain **lowincome requirements**, have been uninsured for at least six months and are not **eligible** for Medicaid or **Medicare**. Parents or caretaker relatives of children in the Hoosier Healthwise program can get help from HIP.

For more information, call 877-438-4479 or visit www.hip.in.gov
