

NORTH CAROLINA

Programs for Adults and Families

North Carolina Medicaid

North Carolina Medicaid is for children, pregnant women, parents of **dependent** children and the disabled who live in North Carolina and meet certain **low-income requirements**.

For more information, call 919-855-4000 or visit www.dhhs.state.nc.us/dma.

Programs for Children Only

Health Check

Health Check is for children under age 19 (up to age 21 in some cases) who qualify for Medicaid.

For more information, call 800-367-2229 or visit www.nchealthystart.org/public/childhealth/index.htm.

NC Health Choice for Children

Health Choice for Children is North Carolina's SCHIP program. It is for uninsured children who live in North Carolina and whose families make too much money to qualify for Medicaid but not enough to afford health insurance.

For more information, call 800-422-4658 or visit www.dhhs.state.nc.us/DMA/cpcont.htm.
