RHODE ISLAND

Programs for Adults and Families

Medical Assistance Program

Medical Assistance Program is Rhode Island's Medicaid program. It is for children, pregnant women, parents of **dependent** children and the disabled who live in Rhode Island and meet certain **low-income requirements**.

For more information, call 401-462-5300 or visit www.dhs.state.ri.us/dhs/famchild/dfcmap.htm.

Rite Care

Rite Care provides families on the Family Independence Program and eligible uninsured pregnant women, parents, and children up to age 19 with comprehensive health coverage.

For more information call 401-462-5300 or visit <http://www.dhs.state.ri.us/dhs/famchild/shcare.htm>
