Programs for Adults and Families

TennCare

TennCare is Tennessee's Medicaid program. It is for children, pregnant women, parents of **dependent** children and the disabled who live in Tennessee and meet certain **low-income requirements**.

For more information, call 866-311-4287 or visit <http://state.tn.us/tenncare>.

Cover Tennessee

Cover Tennessee is for uninsured people who live in Tennessee and is offered via the following four programs:

AccessTN is for adults who are uninsurable due to pre-existing conditions.

CoverKids is for qualifying children in Tennessee, age 18 and younger.

CoverTN is for small business owners, the self-employed and individuals who otherwise couldn't afford coverage.

CoverRx is for residents of Tennessee who do not have pharmacy coverage.
